CITY OF NEW CARROLLTON

EXECUTIVE ORDER NO. 09-01

JULY 15, 2009

By virtue of the authority vested in me as the Mayor of the City of New Carrollton, I am hereby eliminating all construction debris, including lumber, bricks, blocks, asphalt, concrete, roofing, drywall, paneling, paint buckets, etc., from the City's Special Bulky Trash collections. There has been an escalating proliferation of these items within the City to a point where it constitutes an abuse of the Trash Regulations and has become cost prohibitive.

The effective date of this Order is July 15, 2009, and construction debris collection will be discontinued effective this date.

Andrew C. Hanko

Andrew C. Hanko

Mayor

Date: *July 15, 2009*
