

## **First Public Meeting of the Prince George's County Scholarship Task Force**

When: Monday, October 10, 2016

Time: 7:00 PM - 9:00 AM

Place: Duval High School

9880 Good Luck Road, Lanham, MD 20706

To discuss issues we are facing with higher education crisis in the county. In several of the lowest income communities across Prince George's County less than 15% of the population has a bachelor's degree and less than 6% has an associate's degree. This opportunity gap has a profound effect on families who are not eligible for quality jobs because they did not have the means to access a college education.
