Highlights of the Mayor:

Picture from left to right: Public Works crew, Public Works Director Bernard Cochran, Councilmember Katrina R. Dodro, Mayor Andrew C. Hanko, and Arbor Day Foundation representative.

The City of New Carrollton observed Arbor Day on Friday, April 29, 2016, by planting a tree at Veterans Park, located on Riverdale Road. A big thank you to the Department of Public Works and to Councilmember Katrina R. Dodro for their collaboration.

The City Election was held on May 2, 2016, and went very good. I want to thank the election board members for their professionalism, dedication, and loyal service to the City, as well as their generosity in making the substantial time commitment required in running a successful election.

City Clerk Barber and City staff were fully committed and worked hard to make the election possible, I appreciate their hard work and dedication. In addition, I thank the residents that came out to vote. I noticed that this year the number of voters was smaller than previous years. I encourage residents to become more proactive with their voting rights. On Election Day, I greeted voters, some voters expressed a number of complaints and comments regarding the City of New Carrollton, I take residents' concerns and complaints seriously. I have taken care of some of the issues and continue to make progress on others.

I congratulate Councilmembers Katrina R. Dodro, and Duane H. Rosenberg on their re-election. I am looking forward to working with them and the rest of the councilmembers for the good of the City of New Carrollton.

Summer is here and in full swing. If you have a swimming pool at your home, please keep the following in mind:

- You must have a fence around your yard, with a self-latching gate.
- If your home has a door exiting to the yard, it should have an alarm on it.
- Above ground pools must have removable steps or latter-type structure installed, according to manufacture's instructions.
- Above ground pools equipped with a pool pump/filter system, must ensure installation in accordance per the National Electrical Code.
- Alarms can be installed on pools, which go off if anyone or anything enters the water without your knowledge.

Please make sure to check with Prince George's County to see if a building and or electrical permit is required, before making any installations. If a permit is required for Prince George's County, then a City of New Carrollton permit is required as well. Remember swimming pools are great fun for family and friends, however unattended activity can be dangerous, and drownings can occur in a moments notice. Also, make sure to notify your homeowners insurance about your pool and any other information pertaining to permits and inspection approvals.
