From one Veteran to another a big thank you to all who have served, as well as those who are currently serving. Happy Veterans Day!

On **October 1, 2016**, the City of New Carrollton celebrated its **Annual Community Day event.** I thank all the sponsors, vendors, volunteers, our Police, Public Works Crew, and most of all the City's Administrative Staff who helped make this event happen. On **October 24, 2016**, Developer and the first Mayor of the City of New Carrollton **Mr. Albert W. Turner** celebrated his **100th birthday** with family and friends. The City Council and I extend our best wishes to **Mr. Turner**, and a big thank you for his contributions to the City of New Carrollton.

The **City's Annual Halloween Party** was held on **Saturday, October 29, 2016**, as always it was a great success due to the participation of volunteers, our Councilmembers, sponsors and the City's dedicated staff who work diligently to help make the event a success. New Carrollton Police Department

Santa With A Badge

Saturday, December 17, 2016

To Celebrate our 11th Year In Service

The New Carrollton Police Department will host it's 7th Annual 'Santa With A Badge' Program

What is Santa With A Badge?
Santa With A Badge is a unique program in which The New Carrollton Police Officers share Christmas with children from New Carrollton's elementary public schools who are in need. Both the children and the officers spend one on one time together in an unforgettable holiday shopping experience. It is a way of giving back to the community they care so much about and do their best to protect. The New Carrollton Police Department is dedicated to creating a wonderful holiday experience for disadvantaged children in the City of New Carrollton and surrounding communities.

When is Santa With A Badge?
The event will be held on Saturday, December 17, 2016. Parents and guardians will be notified in advance if their child has been selected. **On the shopping day children must be present to shop.** Uniformed Police Officers will pick the children up at their homes, take them shopping, have lunch with Santa and return the children home after the event.

For more information on the Santa With A Badge program, please contact the New Carrollton Police Department at 301-459-0142.

Drive Safely as it gets Darker Earlier

Daylight Saving Time ends every year on the first Sunday in November. This means it gets darker earlier.

Darkness: When it's dark outside, depth perception, color recognition and peripheral vision are compromised. And the glare of headlights from an oncoming vehicle can literally blind a driver temporarily.

Even with high-beam headlights on, visibility is limited to about 500 feet (250 feet for normal headlights) creating less time to react to something in the road – especially when driving at higher speeds.

What should you do to combat darkness?

Aim your headlights correctly:

- Dim your dashboard
- Look away from oncoming lights
- If you wear glasses, make sure they're anti-reflective
- Clean the windshield to eliminate streaks
- Slow down to compensate for limited visibility and reduced stopping time

Compromised Night Vision:
Night vision is the ability to see well in low-light conditions. As we age, we have greater difficulty seeing at night. A 50-year-old driver may need twice as much light to see as well as a 30-year-old. At age 60 and older, driving can become even more difficult, according to the American Optometric Association. Some older drivers also may have compromised vision due to cataracts and degenerative eye diseases.

The American Osteopathic Association (AOA) recommends older drivers:

- Have annual vision exams
- Reduce speed
- Take a driving course; even experienced drivers can benefit from a refresher course, as some of the rules may have changed
- Minimize distractions at night, like talking with passengers or listening to the radio
- Check with your doctor about side effects of prescription drugs
- Be honest about your ability to drive after dark and limit driving to daytime hours if necessary.

Stay Alert, Stay Alive

While we do only one quarter of our driving at night, 50 percent of traffic deaths happen at night. It doesn't matter whether the road is familiar or not, driving at night is always more dangerous.

About 35,500 people were killed in car crashes in 2013, according to *Injury Facts 2015*. By taking some extra precautions, we can all contribute to reducing these numbers.
